Vol. 1-7

(c) 2007-2010 MIO

Mika, a high school senior, used to get into it University along with her love, Takada-kun. She's very busy with her studies and her dates. But then, the appearance of Takada-kun's little brother, Ryuji, only ends up making Mika want to show off... Mika's little sister, Tami-chan, likes Ryuji, but he somehow kisses Mika instead...? Ryuji threatens and gets Mika into a huge panic attack by saying, "If you don't want my brother to find out, fix it with Tami somehow..." Then, on New Year's Eve, during their first spring visit of the year, they come across college students dressed in kimono. It seems one of the girls likes Takada, and Mika can't hide her feelings of insecurity... On the other hand, the fortunes indicate that things are going well for Ryuji and Tami. However, a girl threatens Ryuji, "If you don't want the kids with Mika exposed, then kiss me!"
